

**Year 11**

**Recovery Curriculum**

**September 2020**

Dear Parents & Carers,

As we return to a new academic year we are mindful of the disruption that our students faced before the summer and the apprehension they may be feeling as they begin their final year of study for their GCSE subjects. We have planned a recovery curriculum for the first three teaching weeks of the year (September 14<sup>th</sup> – October 2<sup>nd</sup>) to help students consolidate their knowledge and feel prepared for the rest of the academic year.

Within this booklet you will be able to see the topic and or skill content that is being covered in every subject during this period. For some subjects there will be revisiting of core ideas from the work that was set during the period of remote learning in others the focus will be on consolidating key skills that they will need to be able to successfully use as they approach their final exams.

Teachers will be uploading resources, setting home learning and their end of programme assessments via their google classrooms, which students have already been invited to join. Students can communicate directly with their class teachers via the google classroom if they have a question or would like additional help.

I hope that you will find this information useful.

**Claire-Louise Robbins**

Assistant Headteacher: Curriculum & Sixth Form

Assessment	An Inspector Calls Exam question

## Year 11 - Maths (GCSE)

Lesson	Content / Skill to be covered	Content / Skill to be covered
1	Foundation (Starters will focus on numbers and algebra during the 3 weeks)	Higher (Starters will focus on ratio and proportion and algebra during the 3 weeks)
2	Pythagoras Theorem	Probability tree
3	3D Shapes	Experimental probability
4	Plans and elevations	Venn Diagram and sets notations
5	Accurate drawings1	Venn Diagram and probability
6	Accurate drawings 2	Trigonometric graphs and transformations of trigonometric graphs
7	Maps and Scale	Pythagoras in 3D
8	Constructions	Trigonometry in 3D
9	Loci and regions	Stratified sampling
10	Bearings	Cumulative frequency
11	Bearings	Box plots
12	Expanding and factorising brackets	Histograms
Assessment	To be set on google classroom/Mathswatch and will cover the content delivered in these 12 lessons	

# Year 11 – Science (GCSE)

## Biology

Lesson	Content / Skill to be covered
1	Types of reproduction
2	Cell division in sexual reproduction
3	DNA and genome
4	Inheritance in action
5	More about genetics
Assessment	Exam style questions on the content delivered in these 5 lessons

## Chemistry

Lesson	Content / Skill to be covered
1	Rate of reaction
2	Collision theory and surface area
3	Effect of temperature
4	Effect of concentration and pressure
5	The effect of catalysts
Assessment	Exam style questions on the content delivered in these 5 lessons

## Physics

Lesson	Content / Skill to be covered
1	The nature of waves
2	The properties of waves
3	Reflection and refraction
4	More about waves
5	EM spectrum
Assessment	Exam style questions on the content delivered in these 5 lessons

## Year 11 – Business Enterprise (BTEC Technical Award)

Lesson	Content / Skill to be covered
1	A1 Elements of the promotional mix and their purposes (1)
2	A1 Elements of the promotional mix and their purposes (2)
3	A2 Targeting and segmenting the market (1)
4	A3 Factors influencing the choice of promotional methods
5	B1 Financial documents (1)
6	B1 Financial documents (2)
7	B2 Payment Methods
8	B3 Sources of revenue and costs
9	How to answer exam questions
Assessment	Promotion and financial records

## Year 11 – French (GCSE)

Lesson	Content / Skill to be covered
1	Rules and regulations in MFL
2	AQA French Higher: La famille et mes Amis
3	AQA French Higher: : family & friends
4	AQA French Higher: La famille et l' Amitie
5	AQA French Higher: family & friendship
6	AQA French Higher: current & future study
7	AQA French: current & future study & employ.t
8	AQA French Higher: L'Orientation
9	AQA French: Universite ou apprentissage
Assessment	Reading Test /Writing Test

## Year 11 – Geography (GCSE)

Lesson	Content / Skill to be covered
1	Current Issue: Geography of Health GCSE Review of where we are: PLC's online
2	Paper 1: Coasts
3	Coastal Processes
4	Paper 2 Section B: 1. Changing Economic World
5	1. Changing Economic World
6	2. Newly Emerging Economies
7	3. Changing UK economy
8	Paper 2 Section C: 4. Resource Management
9	4. Water Management
Assessment	Google forms assessment on 4 overall topic areas

## Year 11 – Health & Fitness (Vcert)

Lesson	Content / Skill to be covered
1	Welcome back / exam analysis results
2	1.1 Lifestyle Factors
3	2.1 Fitness Testing
4	2.2 Training Methods
5	2.3 Optimising a Health and fitness Programme
6	3.1 Health and fitness analysis
7	4.1 Structure of a health and Fitness Programme
8	4.2 Health and Safety
9	Ever-learner mini tests
Assessment	Ever learner (go through the tests)

## Year 11 – History (GCSE)

Lesson	Content / Skill to be covered
1	What were the medical beliefs of the Middle Ages?
2	Was this a time of limited development?
3	Case study – The Black Death
4	The Renaissance – What changed and why?
5	The Renaissance – What was the most significant reasons for developments?
6	Evaluation – Was this really a time for change?
7	Who was Edward Jenner?
8	How did Pasteur and Koch change medicine?
9	Evaluation – How significant was Germ Theory?
Assessment	Applying knowledge to example GCSE questions

## Year 11 – Media (BTEC)

Lesson	Content / Skill to be covered
1	Recap of C 2/ Production Stages
2	Treatment/How to create recap
3	Storyboards shot types and angles recap
4	Script types
5	Screenplay and storyboard recap/evidence for portfolio
6	Mini assignment 1, screenplay and storyboard
7	Mini assignment 1, screenplay and story board
8	Mini assignment 2 Late for ....school/date/interview etc..
9	Mini assignment 2 Late for....
Assessment	Mini Assignment 2 Late for ....

## Year 11 – Performing Arts (BTEC)

Lesson	Content / Skill To Be Covered
1	Intro and recap of what is left to do
2	Performance – Live Theatre C1
3	Performance – Live Theatre C1
4	Performance – Live Theatre C1
5	Performance – Live Theatre C1
6	Analysis – C1
7	Analysis –C1
8	Analysis C1 – Performance based
9	Analysis C1
Assessment	Written response to C1 Performance analysis

## Year 11 – Physical Education (Core)

Students will cover all of these lessons but will rotate to them so they may not be in this order.

Lesson	Content / Skill to be covered
1	Football Golf
2	Sprinting
3	Yoga
4	End ball
5	Ultimate Frisbee
6	Outdoor fitness circuit
7	Haka Dance
8	Table tennis
Assessment	Self-Assessment

## Year 11 – Physical Education (GCSE)

Lesson	Content / Skill to be covered
1	Aggression, introverts and extroverts
2	Arousal
3	Commercialisation
4	Sponsorship and media
5	Engagement patterns
6	Factors affecting participation
7	Ethical issues and drugs
8	Spectator behaviour
9	Technology in sport
Assessment	Mini knowledge check tests at end of each topic. Use of theeverlearner online assessment tool.

## Year 11 – Religious Studies (GCSE)

Lesson	Content / Skill to be covered
1	Begin Theme F: what are human rights, why do they matter?
2	Christians and human rights. Revisit parable of the sheep and goats (judgement). Westborough Baptist Church.
3	Prejudice and Discrimination: Sexuality and Gender
4	Retrieval lesson: Christian practices
5	Prejudice and Discrimination: Disability and Race
6	Prejudice Discrimination: Race
7	Prejudice and Discrimination
8	Retrieval lesson: Christian practices
9	Religious Freedom
Assessment	EOU Christian practices

## Year 11 – Sociology (GCSE)

Lesson	Content / Skill to be covered
1	Key terms and concepts- intro and methods
2	Short exam questions- marking and construction- intro and methods
3	Families-key theorists-theory- short answer questions- speed essay planning
4	Families-changing relationships short answer questions- speed essay planning
5	Education key theorists-theory- short answer questions- speed essay planning
Assessment	Exam style questions to be completed on google classroom
